1. INTRODUCTION

To achieve our mission, every member of the PCSST 2-3 community must respect that every student has a right to learn. This means creating an environment that is physically, emotionally and intellectually safe, orderly, and conducive to learning. The information in this handbook provides the guidelines for all of our behaviors and attitudes that will create a positive environment in which each student, parent, and teacher can contribute and learn. Because this is a “Student” Handbook, it is written to/and for you. Each section begins with a general description of the issue involved, and then it addresses you and your actions and attitudes very specifically.

2. COUNSELING SERVICES

Paterson Charter School for Science and Technology 2-3 offers counseling services. Our campus has a full time counselor. The school counselor, or his/her designee, can help students plan and succeed in school, and help them look ahead to the next grade level and Middle School. The school counselor can also help with personal issues and concerns. To see the school counselor, make an appointment in advance unless it is an emergency. Parents/Guardian may call the office to arrange an appointment with a counselor. If the counselor is not available and students have a problem, they must make sure they speak with a teacher or administrator.

School Counseling Department

The main purpose of the School Counseling Department is to assist students in attaining their greatest potential academically, socially and emotionally. A counselor has been assigned to help students grow and develop in the present and the future. The counselor is the central figure who coordinates efforts with those of the students, the parents, and the teachers. A counselor is trained to advocate for the academic, social, and emotional well-being of a student. Thus, it is important for students and parents to work together with the counselor, as well as the teacher. Assistance is available throughout the day. If there is a need to meet with a counselor, students are to request a meeting with a counselor during the school day. Counselors will discuss subjects related to interpersonal conflict, grades, personal concerns, or one of many topics that may arise during the school year. Furthermore, the School Counseling Department presents various developmental and emotional programs throughout the year such as a bereavement group, divorce group, peer tutoring, and academic mentoring. Please discuss these programs further with a counselor.

INTERVENTION/REFERRAL SERVICE TEAM (I&RS)

The purpose of the Intervention/Referral Service Team is to identify and plan alternative instructional strategies for students who are experiencing academic, social or behavioral problems. The student support team is a committee consisting of the referring teacher, the chairperson and at least one other participant. Parents are invited to attend I&RS meetings regarding their children. The I&RS process provides problem-solving strategies and instructional support for teachers. Questions concerning the referral process should be referred to an administrator.

SPECIAL EDUCATION SERVICES

PCSST 2-3 recognizes the Federal and State laws that govern services to students with disabilities. It is the school's responsibility to ensure compliance with those laws. Students with disabilities will be educated in the least restrictive environment (LRE). This means that students will be placed in the setting that puts the fewest limits on their opportunities to be educated with students who do not possess disabilities. PCSST 2- utilizes an inclusive and holistic approach to special-education services. All identified students will receive support, modifications and consultation services to classroom teachers who serve special education students as needed. At our 2-3 campus, we provided fully inclusive instruction for all of our special education students. PCSST 2-3 shall comply with federal and state law that ensures that all students with disabilities will be provided with a free appropriate education (FAPE). Parents must notify the registrar's office if their child has an IEP from any previous school.

3. UNIFORM AND PERSONAL APPEARANCE

DRESS CODE

Students are expected to wear the PCSST 2-3 uniform at all times and to dress and groom themselves in such a way as to reflect neatness, cleanliness and safety. All students should dress appropriately so as not to disrupt or interfere with the educational program or the orderly operation of the school. The principal or other duly authorized school official shall determine whether any particular use of the school uniform is in a violation of the spirit and/or the intent of this school uniform policy.

Students and parents are expected to honor the uniform code in order that valuable school time is not spent examining student attire to determine appropriateness. At no time will a student be permitted in the building with improper footwear as noted in the Dress Down Policy.

If a student comes to school on a **second** occasion inappropriately dressed, his/her parents will be notified verbally (phone call) or written notification and the student will receive discipline points. A student who violates the uniform code on the **third** occasion will be issued a Wednesday detention. The **fourth** and all incurring violations may result in further disciplinary action. **Inappropriate attire jeopardizes the instructional climate and therefore, will not be tolerated.**

Report cards and even diplomas may be withheld for students who do not meet their financial obligations for lost or damaged textbooks or other materials.

5. EXAMINATION PROCEDURES

At PCSST 2-3, formal examinations fulfill an important function in the assessment of each student's academic performance. As external examinations (State Testing) are used on a statewide basis as measures of student performance, students at PCSST 2-3 are exposed to formal examinations not only for the purposes of assessment but also for experience in examination conduct, procedure and technique.

- **MAP is a school standardized assessment that assesses the individual student's growth up to 3 times a year.**
- **State testing is mandatory for grades in grade 3. (NJSLA)**

Consequently, the school has in place a "Code of Conduct" pertaining to examinations.

- ✓ Students are to remain silent during all examinations unless directed otherwise by the supervising teacher.
- ✓ Under no circumstances are students permitted to distract other students during examination.
- ✓ Students must leave school bags in their lockers.
- ✓ Students are not permitted to take any paper, including worksheets and scratch paper, into the examination room. Further, students are not permitted to remove any paper, including the question paper, from the examination room.
- ✓ Students must bring appropriate equipment for each exam and are not to borrow equipment or anything else during examinations. Students are expected to wear the school uniform to all examinations.
- ✓ Students are not to be late for examinations and will NOT be permitted to leave early.
- ✓ Latecomers will not be granted extra time to complete the exam.
- ✓ All exams must be made up within 5 days of absence; however, the student must present a reasonable excuse to be eligible for a make-up exam or project.

ANY STUDENT FOUND TO BE CHEATING DURING EXAMINATIONS AND/OR DETERMINED TO HAVE CHEATED WILL RECEIVE A ZERO AND THEIR PARENTS WILL BE NOTIFIED. DISCIPLINARY ACTION MAY BE TAKEN BY EITHER THE SUBJECT TEACHER OR BY A SCHOOL ADMINISTRATOR. SEE THE CHEAT/PLAGIARIZE POLICY.

1st offense - Zero for the assignment & No Parent/ No School (contact by teacher)

2nd offense- Zero for the assignment, parent contact, and full day ISS

Students will not be allowed to make up the assignment or be given any extra credit assignments. Repeated cheating will result in an out of school suspension, denial of credit and/or possible expulsion from PCSST 2-3.

6. HOMEWORK POLICY

Homework is an essential part of your successful educational program at PCSST 2-3. Doing homework will help your child develop many valuable skills such as good study habits, time management, responsibility, and perseverance. Teachers will assign homework that will foster individual learning and growth and that is appropriate for the subject area. Homework is part of all students' regular evaluations. It is your child's responsibility to complete and turn in homework on time. In case of conflict regarding homework assignments the teacher's record is final. If you have any questions about your child's homework, immediately contact the teacher who assigned it. Teacher's contact information is available at our website.

Homework will be given regularly by PCSST 2-3 teachers and students are expected to complete homework assignments. Parents/Guardians have a responsibility to check to see the homework is completed and turned into the teacher.

- *See Plagiarism policy*

Students will not be allowed to make up the assignment or be given any extra credit assignments.

7. ATTENDANCE

Absences and Tardiness:

The Paterson Charter School recognizes two kinds of absences and tardiness: *excused* and *unexcused*. Please read through the definitions of each carefully so that you understand the responsibilities that you and your parents or guardians must honor. Also, you need to be very aware of your responsibilities regarding homework, quizzes and tests when you have an excused absence as well as the consequences for unexcused absences.

Excused Absences:

The Paterson Charter School accepts only the following as excusable reasons for absence from school. Parents or guardians must notify the school each morning their child is not attending. The written excuse shall be submitted to the attendance office and filed as part of the student's school record. An excuse for absence from school may be approved for one (1) or more of the following reasons or conditions:

- ✓ **Personal Illness:** Upon the student's return to school, a doctor's note is required.
- ✓ **Emergency:** Your parent/guardian must confer with the Lead Person to have an emergency marked excused.
- ✓ **Illness in the Family:** Your parent/guardian must confer with the Lead Person to have an illness in the family marked excused.
- ✓ **Appointments:** The parent/guardian must have a doctor's note to have an appointment marked as excused. All appointments should be made after school if possible.
- ✓ **Quarantine of the Home:** A letter from the Board of Health family physician is required in order to have days marked as excused.
- ✓ **Religious Holiday:** Notification from your parent/guardian must be received prior to the date in order to have a religious holiday marked as excused.
- ✓ **Death of a Relative:** A copy of the newspaper or a letter from the funeral home is required in order to have the death of a relative marked as excused.
- ✓ **Legal Obligations:** A copy of summons or a letter from Court is required.

Make-up work for excused absences:

An absence from school, even for several days, does not excuse your child from responsibilities in the classroom on the day they return. If they have an excused absence, they will be given the same number of days that they were absent to make up missed work. To be eligible for make-up work, they must show each teacher the “excused absence slip.” On the day they return to school, it is their responsibility to find out what work is required and when the work needs to be completed. Students who do not complete missed assignments will receive a zero for the assignment.

For students with excused absences, make-up tests will be scheduled at a time designated by the teacher. It is the student’s responsibility, however, to take the test at that time. If the student fails to do so, the teacher is not obligated to set another time for the make-up. If the student fails to make up a test without making other arrangements, the teacher may decide not to give them the test.

Unexcused Absences:

Eighteen (18) days is the maximum amount of unexcused absences that are allowed before the loss of credit for the entire school year. You will be recorded with an unexcused absence if you:

- ✓ Fail to bring a doctor’s note within three school days following an absence
- ✓ Leave school without signing out of school at the main office
- ✓ Walking out of the building without permission
- ✓ Are absent from school without parental permission (truant)
- ✓ Are absent for reasons not acceptable to the administration

A child must be in school until 12:25 pm (4 hours of school) to be considered present for the school day.

Make-up work for unexcused absences:

If you have an unexcused absence, your grade(s) in a class or classes will be affected in one of these ways. You may not make up work following an unexcused absence. An unexcused absence may result in an “F” or “zero” for the day in each class missed. Teachers are not mandated to permit you to make up quizzes or tests.

Truancy: Truancy means that a student is not excused and absent from school without the knowledge of a parent/guardian. Truancy indicates a deliberate disregard for the educational program and is considered a serious matter that will have one or all of the following immediate consequences:

- ✓ Parent notification
- ✓ No Parent/No School
- ✓ Saturday detention
- ✓ Out of school Suspension
- ✓ Referral to guidance
- ✓ See “Make-up Work for Unexcused Absences”
- ✓ Chronic cases may result in denial of credit
- ✓ Notifying local law enforcement (after 5 consecutive absences without school knowledge)

If you are truant, no credit will be recorded for work you missed. A record of the truancy will be entered into your record file.

Habitual Truant:

Paterson Charter School will consider a student a “habitual truant” when, in spite of warnings and/or his/her parents’ efforts to ensure attendance, he/she has accumulated ten (10) total unexcused days during one marking period.

Tardiness:

Anyone who arrives at school after 8:55 a.m. must report to the main office and receive a tardy pass. Students who arrive at school after 4th period or do not receive four (4) hours of instruction time will not receive credit for the school day without a doctor’s note excusing the students’ tardiness. Students who are late for class will be bound by the PCSST 2-3 tardy policy.

Check outs:

ID is required to check a student out of school. Only parents and other adults listed on an emergency card will be permitted to sign a student out of school early. All other circumstances whether written or verbal must be approved by an Administrator.

Communication with school:

Every effort will be made to ensure good communication between the home and the school. Parents/Guardians may communicate directly with the school's staff members via e-mail, voicemail, written request, or by accessing the school's website.

It is important that the school officials are able to contact parents at any time; therefore, it is necessary that school officials maintain updated contact information on file. It is the parents' responsibility to ensure all contact information is updated. If your home or mailing address, phone number(s), e-mail or emergency contacts change, please notify the main office immediately at (973-910-8090). The school will not be held responsible for any correspondence missed by parents due to not being informed of any changes of contact information

All students at PCSST 2-3 are entitled to the rights guaranteed by the United States Constitution and Bill of Rights and student rights will not knowingly be denied by the required code of conduct or by any disciplinary actions taken by the school. Any student who exhibits any of the Unacceptable Student Behaviors listed in this handbook or added to this list at a later date will suffer stipulated consequences. These consequences range from notification of parents, detention and emergency removal from a school activity to suspensions and expulsions and will follow New Jersey Education Law. All students at PCSST 2-3 have the right to feel physically, emotionally and intellectually safe. Therefore, if at any time you feel you are the subject of harassment, hazing, threats or other intimidating behavior, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible. All reports like this will be kept completely confidential.

Similarly, if you are concerned about the safety of a student who seems to be the subject of harassment, hazing, or threats, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible, and all reports will be kept completely confidential.

Individual Actions:

It is expected that every individual will accept responsibility for his/her own actions, whether intentional or unintentional. Often harm caused to other persons or their possessions is unintentional or the result of careless behavior. This, however, does not excuse or diminish the personal responsibility of the student (and/or his/her parent) to make appropriate restitution. When known and verified by an administrator, any harm caused to another will be reported to parents. PCSST 2-3, its employees, not the board, assumes any liability for the intentional or unintentional harm caused by any student to another individual or his/her possessions.

PCSST 2-3's main goal is to help every student fulfill his/her intellectual, social, physical and emotional potential. Everything in and about the school has been designed to create an orderly and distraction-free environment in which all students can learn effectively and pleasantly. To foster this kind of learning environment, the PCSST 2-3 administrators and teachers shall not allow the below listed behaviors during school, on school property, or at any school sponsored activities. **Students who continuously disregard the code of conduct may be recommended to the board for expulsion.**

Our ultimate goal is to develop in students a sense of responsibility and self-discipline. Appropriate behavior, reinforced by firm and fair rules and consequences becomes the basis for this system-wide discipline program. Guidelines are provided in order to foster mutual respect and cooperation within the school setting. PCSST 2-3 takes seriously its responsibility to educate its students in a safe and drug free school where they are free from fear of harm or intimidation. Weapons, drugs and gang activity will not be tolerated. Students who violate PCSST 2-3 rules or State laws related to these offenses will be suspended or expelled from school. Violators will also be reported to police and may be arrested. These rules apply to all students at school or school-sponsored activities including field trips and on buses, athletic fields, stadiums, parking lots, official school bus stops and other sites used for school-sponsored activities.

Conduct Information: It is our belief that good discipline is one of the cornerstones of a good education, and that to ensure good discipline, a close cooperative relationship must exist between the home and the school. The policy developed provides close communication with parents at the onset of discipline problems, so that together we can find alternatives for students so they can experience success in relationships at home and school.

For this discipline program to be successful, students must make choices for themselves and be responsible for their own behavior as well as for their academic performance. Students who make poor choices cannot and should not place blame on the environment, parents, the school and/or peers. While the school will help students develop good decision-making skills, ultimately, the future is determined by each student's own actions. The procedures in the discipline program will be followed in a fair and consistent manner.

Disorder and Demonstrations: The Board will not permit any willful activity by a pupil or group of pupils that interferes with the orderly operation of the schools or the rights of others. The Board specifically prohibits any assembly or expression that materially disrupts instruction; is obscene, slanderous, or grossly prejudicial; advocates the use of dangerous or harmful materials; advocates the use of force or the violation of the law or school rules. Behavior contrary to these expectations may be reprimanded. See *Consequences*.

Minor Misconduct: Minor violations as outlined below may not be immediately reported to the administration or parents. Such offenses are considered minor and therefore, the consequences are subject to consequences in accordance with the Discipline Point System. Citations will be issued for misconduct outside the classroom. Such conduct shall include, but may not be limited to, any of the following:

- ✓ Horseplay, wrestling, pushing, scuffling, clowning, acting out
- ✓ Excessive talking
- ✓ Pencil noises, spitballs
- ✓ Hall disruptions such as yelling and running

If any of these behaviors become repetitive, they may be escalated to a major offense.

DISCIPLINE POINT SYSTEM (DPS)

Students have a fundamental right to a free public education and PCSST has a clear responsibility to provide an atmosphere which will promote a quality learning environment for all students. This safe climate can be deeply undermined by not complying with the school rules and regulations. Students also have the right and responsibility to live by the rules of the law and to have equal protection under the law. It is the student's obligation to obey school regulations and the school authorities who enforce them. This responsibility relates to conduct on school buses, at school-sponsored events and in the school building.

In order to identify infractions and keep a record of each student PCSST uses an Online Discipline Point System (DPS) in which students will be given points for unacceptable behavior and infractions. With some severe cases, along with DPS records, a referral form will be filled by administration. Each teacher and staff must use this system and the Administration has the discretion to implement certain consequences for students who have earned points above a set limit. Parents will be notified about the consequences associated with the behavior.

1. Every unwanted behavior has a numerical point. (See Discipline Point Case File)
2. Every teacher is required to mention our DPS system in his/her syllabus and use it.
3. If a student has at least one discipline point and does not receive any discipline points within 5 consecutive school days, the student's Discipline points will be reduced by 5 in the following day.
4. A teacher can give points only once for the same incidence for one class period. The teacher shall fill out a **Discipline Referral Form** if the same case continues, and contact an Administrator.
5. An accrue ment of 20 points = Wednesday Detention and meeting with Guidance Counselor (GC)
6. Students required to attend Saturday Detention are rewarded 5 points for attending Saturday Detention and obeying rules of conduct for Saturday Detention. Students may receive more DPS points, however for an unwilling behavior.
7. Failing to attend a Saturday Detention without any confirmed excuse may result in a 1 day out of school suspension
8. An accrue ment of 15 points = In School Suspension + Parent meeting at the end of the day
9. An accrue ment of 20 points = Wednesday Detention (Failure= 1 Out of School Suspension)
10. An accrue ment of 30 points = 1 Day Out of School Suspension + Guardian meets before or after with Admin + Student meets with GC
11. An accrue ment of 40 points = 2 Days Out of School Suspension. + Guardian meets before or after with Admin + Student meets with Guidance Counselor
12. An accrue ment of 50 points = 3 Days Out of School Suspension. + Guardian meets before or after with Admin + Student meets with Guidance Counselor
13. An accrue ment of 60 points = 4 Days Out of School Suspension + Guardian meets before or after with Admin + Student meets with Guidance Counselor
14. An accrue ment of 70 points = 5 Days Out of School Suspension + Guardian meets before or after with Admin + Student meets with Guidance Counselor
15. An accrue ment of 80 points or more = may result in long-term suspension or expulsion

TEACHER INTERVENTION

Process for MINOR Misconduct

The teacher, in response to MINOR disciplinary problems in the classroom, will communicate with the parent as well the disciplinarian (if points are justified). Students will remain in the classroom with classroom consequences.

Process for MAJOR Misconduct

1. Students will immediately be removed from class
2. Student will be issued discipline points
3. Office referral will go in student's discipline transcript
4. Phone call by teacher to parent
5. Parent may receive a phone call by an administrator to inform them of further consequences

Substitute Teachers: Our school is fortunate in having capable people to help us whenever our regular teachers are ill or are attending conferences. A substitute teacher is deserving of the same respect as members of the regular PCSST 2-3 teaching staff; failure to do so will result in a report to your regular teacher and/or to the administration.

Technology in Classrooms: Students should respect all of the technological equipment. Any misuse, mishandling or tampering with computers or systems may result in loss of computer privileges at school. In addition, disciplinary action may occur for situations considered serious by the school administration. Any damage, requiring repair to hardware or software will result in financial charges being assessed. Students shall not alter or attempt to alter school or private property including technology hardware and software. Students may not bring computer software to campus to be used on school computers without prior approval of the school administration. Students should not bring food items or beverages into the classroom setting; this includes candy and gum. Students are not permitted to go on any

CAFETERIA CONDUCT

It is important that all students act in an orderly fashion and display appropriate manners at all times in school – including the cafeteria.

- 1) While in the cafeteria, you must still act like a professional student.
- 2) Wait in line patiently; all students will be served in a timely manner.
- 3) Keep your voice at an appropriate level. This means that the others at your table should hear you, but those at other tables should not be able to hear you.
- 4) If a student is assigned lunch recess detention, lunch will be eaten in the cafeteria and recess will be served in the Reflection Room in a timely manner.
- 5) Students will throw away their own garbage and clean their table before exiting.

Please remind students that the PCSST 2-3 rules apply to them from the moment they step into school until the moment they exit the building.

Teachers on special duty at school have the authority and discretion to correct any pupil and submit referrals to the office.

STUDENTS DRIVEN TO SCHOOL

Students who are transported in cars should be dropped off in the designated area in front of the school. Parents/Guardians **should not drop off their children on the opposite side of the street**. Automobiles must not drive through or park in the bus loading areas. When picking up at dismissal time, please use the front doors (after 2:35 p.m.). Students must enter the school from the playground and not the teacher's parking lot.

Bicycles, Skateboards, Roller Blades and Scooters

Bicycles, skateboards, roller blades and/or scooters, are not permitted on school property.

Bus Conduct Expectations: Students are only permitted to board the bus they are assigned to use. Conduct on the bus is expected to be the same as in the classroom. Safety depends on the skill of the drivers and nothing should be done to distract them. Students may be denied bus privileges when behavior is inappropriate. Riding on the school bus extends the regular school day for those students. All actions taken by administration can and will be enforced. Consequences include, but are not limited to, bus suspension or out of school suspension.

Riding the bus is a privilege. Students who wish to enjoy this privilege must abide by the following rules and regulations in order to help to ensure safe and orderly bus transportation. Students, who engage in any bus misconduct, may be suspended from the bus for five (5) to ten (10) days or may be recommended for bus expulsion. Parents will be notified of the students' bus violations. Failure to abide by these safety procedures will result in the following sequence of events:

- **First Referral-** Students may be suspended from riding the bus for **one (1) to five (5) days** with parent contact or conference requested.
- **Second Referral-** Students may be suspended from riding the bus for **five (5) to ten (10) days** with parent contact or conference requested.

During an Emergency: During an emergency, whether practice or actual drill, students must adhere to all instructions to ensure their safety. Fire drills are held at various intervals throughout the school year. Students must follow their teachers' instructions and go to the designated areas as quickly as possible. Students must not run or push. A signal will be given for returning to class. **Any misconduct during this procedure will result in administrative action.**

Evacuation: PCSST 2-3 has an evacuation procedure in place in order to ensure the safety of the students and staff in case the school must be evacuated.

DESCRIPTION OF DISCIPLINE OPTIONS

In-School-Suspension: An assignment will be given for a period of time not to exceed school hours where a student may be required to complete classroom work in a supervised place designated by an administrator. This is an informal disciplinary action that must have PCSST 2-3 administrative approval. Any disruptions or failure to complete assignment will lead to the following consequences:

- First offense: Citation and verbal warning
- Second offense: Citation and Saturday detention
- Third offense: Citation and out of school suspension

Referral to Guidance: Guidance counselors will meet with students to introduce them to strategies they can utilize to improve their behavior in the classroom.

Recess Detention: Students will be assigned to the Reflection room during lunch recess and may be required to complete work assigned by the supervising staff member.

Teacher Detention: A teacher may assign detentions to students whose behavior does not improve after an initial warning and one-on-one discussion. Teacher detentions can be during or after school. After school detentions are served between the hours of 2:40 to 3:40 Monday thru Friday in the classroom or on a Wednesday afternoon. Students may be required to complete work assigned by the supervising staff member. Parents will receive a phone call by the teacher when a detention is assigned. Should a student fail to appear for an assigned detention or if the student is not picked up in a timely manner, *the consequence will be determined by an administrator.*

School-wide Detention: A week day detention is a formal disciplinary action that can only be assigned by the PCSST 2-3 administrative staff and requires written correspondence to parents. An assignment will be given for the time spent in detention and must be completed within a specific timeframe. Failure to complete an assignment can lead to further consequences determined by an administrator. If a student fails to appear for Wednesday Detention, they will have to serve an out of school suspension.

Wednesday Detention: Wednesday Detention is a formal disciplinary action that can only be assigned by the PCSST 2-3 administrative staff and requires written correspondence to parents. An assignment will be given for the time spent

in detention and must be completed within a specific timeframe. Failure to complete an assignment can lead to further consequences determined by an administrator.

No Parent/No School: Students will not be permitted to attend school unless they are accompanied by a parent or court appointed guardian. Students that attend school without a parent or legal guardian will face an out-of-school suspension unless prior arrangements are made with an administrator. Please be advised that individuals listed on your emergency card will not be permitted to attend conferences on the parent or legal guardian's behalf.

Daily Behavior Report: A daily behavior contract is an informal tracking tool used by the school to monitor a student's day-to-day behavior and academic progress until such time that satisfactory results have been achieved. The student's teachers complete this report each day. The form is returned the next school day after being reviewed and signed by a parent/guardian. An administrator will review the report to determine whether the student will be permitted to return to class. This process is recorded on the student's discipline transcript.

Withholding of Privileges: Students may be denied an opportunity to participate in school-related activities and/or events as deemed appropriate by an administrator. Students may also be required to be accompanied by a parent or court appointed guardian. Consequences may include field trips that have already been paid for, dinner/dances, graduation ceremonies, etc. In these instances, *no refund will be provided.*

Parent Shadowing by Appointment Only: Parent shadowing is a very effective method that is used when other informal and/or formal discipline measures have been ineffective. When parents visit the school and "walk in their child's shoes," they are often better equipped to understand and assist their child and the school in resolving the identified problem.

Administrative Detention: An administrator may assign administrative detention to students who fail to comply with school rules or fail to report to an assigned teacher detention. Parents will be sent a notification when administrative detention is assigned. All administrative detentions are documented on the student's permanent discipline record. Failure to appear for administrative detention will result in the student being assigned to in-school or out-of school suspension. Students assigned after school detention must be picked up no later than 10 minutes after students are dismissed at the front of the school.

Out-of-School Suspension: Out-of-School Suspension is a formal disciplinary action that can only be assigned by the PCSST administrative staff and requires written or verbal correspondence to parents. Out-of-school suspension may increase on successive occasions when it becomes necessary for the same student to be suspended from school. A meeting between a parent and an administrator is required prior to any out-of-school suspended student's return to PCSST 2-3. Any student that knowingly reports to school after being notified they are suspended will be considered trespassing and will not be permitted on school grounds.

All students under suspension are prohibited from participating in after school activities and therefore required to leave the school campus immediately upon dismissal.

Discipline Transcripts are maintained in the students' Permanent Record Folders. In-school suspension assignments will be noted on the student's discipline transcript.

Behavioral Contract: Students who violate the Paterson Charter School for Science and Technology 2-3 School rules by amassing excessive discipline points will also be required to sign a Behavioral Contract in order to remain a student at PCSST 2-3. This is critical, in that PCSST 2-3 believes in engendering youth responsibility. A parent/guardian will also be required to sign the contract as well. The contract includes a daily behavior sheet which students must have completed each school day. Students must return the sheet to school the next day with a parent or legal guardian signature. Students may lose other privileges (Activities, clubs, field trips, etc.)

Option to Withdraw: A student may withdraw without penalty from a charter school at any time and enroll in another local school in the school district in which such student resides. A student who is suspended or expelled from a charter school as a result of a disciplinary action taken by a charter school shall also be entitled to enroll in a local school within the local school system in which student resides, if, under the disciplinary policy of the local school system, such student would not have been subject to suspension or expulsion. In such instances, the local board shall not be required to independently verify the nature or occurrence of the applicable conduct or any evidence relating thereto.

Expulsion: Expulsion is a formal disciplinary action that can only be approved by the PCSST board after receiving a recommendation by the PCSST 2-3 administrative team due to the student's involvement in repetitive discipline offenses. A written correspondence to the student's parents, containing the date and time of a board hearing, will be mailed to the parents within ten (10) days of the suspension.

DRUG/ALCOHOL/SUBSTANCE ABUSE ENFORCEMENT POLICY

Any pupil suspected of being under the influence or buying, selling, possessing or using drugs/alcohol/controlled dangerous substances on school property or at school functions shall be suspended from school for a minimum of three (3) days and/or recommended for expulsion. Parents will be notified and a full report of the incident shall be made to the police. 9. ILLNESS, INJURY, AND MEDICATION POLICIES

PCSST 2-3 will have a school nurse or first-aid-trained-person available to discuss or assist with medical problems or concerns. Unless you are ill, you must make an appointment in advance with the nurse.

Major Illness or Injury During the School Day

Please follow these three rules if you become ill or are injured during the school day.

- ✓ Report to the nurse office. If the nurse is not available, you should report to the Main Office.
- ✓ If you do not inform the office and simply miss class, it is an unexcused absence.
- ✓ Do not leave the building without permission. Always report to the Main office.

Medication Policy

Medication should not be brought to school unless it is essential to the health of the student. If a student must take medicine at school, these procedures must be followed:

The medication to be administered by designated school personnel must be:

- ✓ sent directly from the pharmacy or physician's office; or brought to school by the student's parent/guardian.

The school must receive a Medication Administration Directions Form signed by the student's physician and parent/guardian.

- ✓ On the medication container, the following information must be clearly printed:
 - ✓ Student's Name
 - ✓ Name of the medication
 - ✓ Dosage
 - ✓ Time the medication must be taken.

Bring in only the amount of medication that is needed for a school day.

- ✓ All medication will be kept in a secure location in the nurse office.

Students are not allowed to carry any medication with them to school. Aspirin, Tylenol, and other patent drugs are not available from PCSST 2-3. 2-3 students are not allowed to carry cough drops to school.

Head Lice Policy

PCSST 2-3 follows the **No-Nit** Policy. At the time head lice are positively identified, the student's parent/guardian will be notified to pick the student up immediately. The student and parent/guardian will need to check in at the office to have the student re-checked. At the time of re-check if there are nits visible, the student will not be allowed to remain in school.

10. SCHOOL ACTIVITIES

FIELD TRIPS

Grade level, team or activity sponsored day field trips are offered to most students. **Students suspended during the marking period that the trip is scheduled are not permitted to participate.** Any student who has demonstrated the inability to follow rules may also be prohibited from participating. This determination will be made by the administration. Field Trips offer exciting ways to learn. PCSST 2-3 students will have the opportunity to go on field trips at various times throughout the school year. For all field trips, they will be expected to follow these rules:

- ✓ Students must bring to school the **Field Trip Permission Slip** signed by their parents or guardian by the specified date. No phone calls will be accepted as permission.
- ✓ **Students must submit all payment for the field trip by the specified time given by their teacher. Failure to submit field trip payments on time will result in the student not being able to attend the trip.**
- ✓ **Students must follow the PCSST Dress Code on all field trips unless otherwise specified.**
- ✓ Students with more than 30 total points, are not permitted to attend field trips
- ✓ Students must abide by PCSST 2-3 codes of student conduct while on the field trip.

Students that do not adhere to the following policies will not be permitted to attend the trip. This may include forfeiting payment(s). Students also may not be able to attend field trips if they exceed 60 discipline points.

Fundraising

No person may solicit contributions or collect funds for any purpose from students or school personnel on school property, at school-sponsored events, or on school transportation unless he has the written permission of the Elementary School Coordinator or the Lead Person.

Sales

Advertising may be permitted if it's for approved school-related activities. **Such activities may include school bake sales, cultural awareness fundraisers, field trips and other fund-raising projects.** Advertising material that promotes the use of alcohol and tobacco is strictly prohibited. No person may display, offer to sell, or sell any item or service to students or school district personnel on school property, at school-sponsored events, or on school transportation unless he/she has the written permission of the school Lead Person.

Demonstrations or Meetings on School Premises (Non-school-sponsored)

Any student who wishes to promote, organize or participate in a demonstration or meeting on school premises other than those sponsored by the school must obtain prior approval from the Lead Person at least three (3) days prior to the requested activity. The three (3) day period does not include the day of the request or the day of the activity. Before approving the request, the Lead Person will determine if the activity will be orderly and peaceful and will not interfere with the rights of others or disrupt the education process

11. LOCKERS

The assigned lockers are for storing books, coats, and personal items necessary for school. The lockers should not be used to store valuable items. PCSST 2-3 will not be liable for personal items left in the lockers or brought to school with you. To keep your school items safe, we strongly advise you to keep your locker and its combination private. **Do not trade lockers with another student. Do not let another student share your locker. Do not let a friend put your belongings in their locker.** It is your responsibility to see that your locker is kept locked and in order at all times. You should report any damage, vandalism or non/working condition of your locker to the front office. If you do not report vandalism, damage or non-working condition of your locker, you will be held responsible for it. Please remember that your locker is school property and remains at all times under the control of the school; however, you have full responsibility for the security of your locker and what is in it. Lockers are expected to be kept neat at all times. School officials will make periodic locker inspections. No item considered dangerous by the administration may be kept in the lockers and will be removed if found there. This includes glass or any other object that may be potentially dangerous. State law permits inspection of student lockers, at the discretion of local school officials. **Students attending PCSST 2-3 should not expect privacy of the contents of their lockers, desks, or other school property.**

In a regular school day, students can go to their lockers on the following designated times only.

- a. Before classes begin in the morning
- b. Before and After Lunch
- c. Before dismissal

You may not go to your lockers during lunch or class.

You will not need to purchase a combination lock for your locker. Student **may not** put their personal lock on their lockers.

A locker is an essential part of a student's life at PCSST 2-6. Use of lockers is strongly encouraged since no backpacks will be allowed in any of the classrooms (excluded 2-3rd Grades).

Having your own locker is a privilege, not a right.

Locker Policy:

- Your homeroom teacher will assign you a locker and its combination.
- Personal locks that require keys are unacceptable.
- Keeping any items that are not allowed in school may result in a locker search & confiscation of the items.

12. LOST AND FOUND

Personal items that are found should be turned in to the main office. Students should check with the main office secretary or lost and found for lost articles.

13. GENERAL INFORMATION

SCHOOL PICTURES

A contracted photographer will photograph students in school sometime in fall. Students may purchase the entire package of photos or a partial package.

Photography/Video Release Policy

The PCSST 2-3 website is a tool to communicate with school families, teachers, prospective students, and the larger community. To enhance this experience, we use photos and videos to show student involvement in various activities. In addition, there will be times that we will invite the Local News to our school to cover an event and your child's picture or videos may be taken.

In order for students' images and videos to appear on the PCSST website or any news publication, it is not required, however **recommended** that we obtain parental permission. If you are not giving permission to release your child's photo or video, you need to contact our school office to fill out the form not to release them.

SUPERVISION OF STUDENTS BEFORE AND AFTER SCHOOL

Students should not arrive before 8:20 a.m. (unless transported by school bus or participating in Before School Care Program) or remain after 2:55 p.m. (unless they are in a specific activity under the supervision of a teacher). Adults will supervise those students participating in activities at times prior to 8:20 a.m. and after dismissal. All students involved in After School Tutoring must be picked up by 3:45 p.m.

G. Dismissal Policy:

These instructions should be kept all year as a reference for dismissal procedures. Please read through and discuss them with your child. Regular dismissal time for all students in grades 2-3 is sharply **2:35 p.m on Mondays-Friday**. Dismissal time for the "Early Dismissal" days is **12:30pm**. **Please do not arrive at school before 2:30 on regular dismissal days unless you are picking up your student early and have informed the front office before 2:15 p.m.** Parents are expected to pick up their children **no later than 20 minutes after dismissal**

1. After the dismissal bell (2:35 pm), 2nd-3rd grade students who are picked up will remain in their classes with their homeroom teachers until they are notified of parents' arrival to school.
2. ***Students will not be dismissed to parents between 2:15 pm and 2:30 pm unless parents call in before 2:00 pm and make necessary arrangements with the office.***
3. **PCSST 2-3 has a right to call DCPD, Paterson Police Department, or related authorities for the students who are still on the campus after 3:00 PM.**
4. Students walking home will be assigned a walker pass, if requested by parents / legal guardians and request is in writing with parent signature. PCSST 2-3 is not responsible for a child who walks home once he/she is off the property of school. If walkers need to wait on campus for any reason, they should ask permission from the school coordinator or teachers on duty.

Dismissal Information Form: Parents must fill out a form provided in the school packet about dismissal information of their children. Students are not allowed to loiter in front of neighboring businesses. Disciplinary action will be taken for those who leave and come back to campus without having a written permission from an administrator.

H. Early Dismissal of Students from School

Because PCSST 2-3 is very concerned about your safety and wellbeing, early dismissal from school is an important issue. In all instances of early dismissal, the following precautions will be taken to insure student's safety.

- School administrators may release you before the end of a school day only upon presentation of a written or face-to-face (no telephone call) request from your parent or guardian or for emergency reasons.
- You may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent or guardian to act on his/her behalf.
- No staff member shall permit or cause you to leave school prior to the regular hour of dismissal except with the knowledge and approval of the Lead Person and with the knowledge and approval of your parents or guardian.
- You may not be released from school to any government agency without proper warrant or written parental permission except in the event of an emergency as determined by the Lead Person.

Please be reminded that regardless of whether it is a regular or an early-dismissal day, the school building may be locked at 4:00 PM.

I. Unexpected Closing of School

In case it is necessary to close school the following day due to weather or some other emergency situations, **OR** if there is an emergency early school closing during the school day, the closing will be posted on the school website and also the School Reach program will be used.

J. Late Pick Up Policy

PCSST understands that circumstances arise where you are unable to pick up your child in a timely manner. A 20-minute grace period will be enforced in consideration of traffic, weather, etc. Twenty-one minutes after dismissal, students will not be released from school. The individual who is picking up the student(s) must sign them out. The child must report to school with a parent or court appointed guardian the next day and meet with an administrator in order to attend class.

BOOK BAGS: Students may use book bags to transport only school materials to and from school.

EMERGENCY DRILL: Regular emergency preparedness drills will be held throughout the school year so that students will be trained to act properly in the event of an actual emergency. These drills will include fire and other crisis emergency drills. A comprehensive emergency preparedness plan is on file in the main office.

TELEPHONE CALLS

Students may not be called from class to talk on the telephone during school hours, nor are they allowed to make outgoing calls except in the most urgent circumstances. As part of an effort to teach responsibility, students are discouraged from calling home for forgotten items. The school does not have sufficient phone lines to accommodate student phone calls at the end of the school day. All arrangements regarding after school activities must be made before the student leaves home in the morning. Calls of an emergency nature, that may involve the interruption of a class to deliver a message to a child, must be directed to an administrator.

We ask that all students please come to school in the morning clearly knowing whether their parents expect them to ride the bus, or be picked up by car in the afternoon. We also ask that parents with students in grades 2nd and 3rd contact the front office and email the teacher or send a note with their child. Parents should also please know whether or not their children are planning to stay for an after-school activity.

CELL PHONE/ELECTRONIC DEVICES

Cell phones and electronic devices (i.e. Camera, IPod, recording device, handheld game, etc.) will be confiscated from the student if they're seen, heard or used. A parent *or legal guardian (court appointed)* will be required to come to school to pick up the item. Repeat offenders will be subject to the following:

First offense:	Teacher confiscates phone and messages parent (returns to student at end of day)
Second offense:	Teachers confiscate and parent must come and pick up device; after school detention
Third offense:	One day suspension.

Any student refusing to hand over an electronic device will serve an out-of-school suspension and may be subject to other administrative actions.

VISITORS TO THE BUILDING

All visitors **must** first check in at the security desk by scanning their license or presenting a state issued I.D and wearing a visitor's badge before visiting other parts of the building. Visitors will be escorted by school personnel.

CLASSROOM OBSERVATION

PCSST 2-3 values the concept of parents as partners in education. Parent and community support and assistance are vital in all aspects of the school program. Parents of currently enrolled students or prospective students may wish to observe the classroom setting or perhaps volunteer. Related requests are welcomed. Contact the main office for more information. Parent visitations must be scheduled with the Lead Person.

OUTSTANDING BALANCES

Any outstanding balances attributable to lunch, library, book, property damage, etc. must be paid before your child graduates or transfers from PCSST.
