

## SECOND GRADE -2020-2021

Dear Parents/Guardians,

We hope you and your child had a wonderful summer! We are so excited to start this new school year and meet you! We know it will be a year filled with fun and excitement. So, we hope your child is ready for their second grade year. The school does not provide the supplies that your child will need for the year. Therefore, the following items would be greatly appreciated. Please have your child bring them to school on the first day. If you have any questions, you may contact your child's teacher.

Thank you,

The Second Grade Team
