Spring Academy 2022

Dear Parent/Guardian and Students,

We are committed to helping all of our students succeed academically. As a result, we have created the Spring Academy. Spring Academy is part of Title-I regulation. It provides students with the opportunity to work on current content skills necessary to be successful on standardized tests.

In an effort to help students have fun while working to improve their educational success, we will be providing interest-based technology, fine arts, and sports programs in addition to supplemental instruction in Math and English. The Spring Academy program will begin on March 1st and run through April 30th.

The Spring Academy will be held at the 8-12 campus. Lunch and snacks will be served. Please see the session information below:

Weekdays: Tuesday, Wednesday, and Thursday (3:40 pm - 5:15 pm) - Snacks will be served.

Weekends: Saturday (8:30 am - 12: 30 pm) - Lunch and snacks will be served.

To authorize your child's attendance, please fill out and submit the attached [sign-up form](#) by Friday, February 25, 2022. If you have any other questions or concerns, please do not hesitate to contact the program coordinators.

Sincerely,
Dr. Coskun & Mrs. Carter
Spring Academy Program Coordinators
