Principal's Welcome

Dear PCSST K-1 Parents and Guardians,

I hope this letter finds you well and ready to begin our educational journey. As your K-1 School Principal, my staff and I would like to welcome you all to the 2025-2026 school year. We are looking forward to providing an incredible year of growth and learning experiences to our students as we prepare to offer an inspiring and exciting educational environment for them. Our teachers and staff are highly qualified and committed to serving all aspects of each student, academically, emotionally, and physically.

We also recognize the very important role parents/guardians play in the academic development of their children. By working together and establishing a partnership between home and school, we can better help our students achieve their full potential.

With that in mind, you are invited to be an active participant at the PCSST K-1 Campus. Whether you are a member of the PTO, a special events committee, or a member of one of our school communities, you are encouraged to be involved! Research on schools significantly validates that parent participation in their child's school corresponds with a greater likelihood of academic achievement for their child.

As always, my door is open to you. Your ideas, suggestions, and involvement in our school will help to make it a better place for our students. Feel free to call, email, or set up an appointment to discuss any questions or concerns you may have in regards to your child, or our school.

Sincerely,

Ms. Krishana Scott
