

Sexual Misconduct/Child Abuse Disclosure New Jersey P.L 2018, c. 5

Effective June 1, 2018, state statute (P.L. 2018, c.5) requires that all school districts, charter schools, nonpublic schools, and contracted service providers make certain inquiries regarding child abuse and sexual misconduct of prospective employees who will have regular contact with students.

Please be advised that you will be receiving an email to your personal email account from Frontline Education to complete the NJ Sexual Misconduct and Abuse Disclosure Release Online Form.

Every new staff member must submit an online form(s) for:

- All current employers
- All former employers

within the last 20 years that were school entities or where the applicant was employed in a position that involved direct contact with children. It is important that you provide all current/former employers so that an online form can be prepared for each.

These forms are time-sensitive and must be completed before your employment at PCSST begins.

Please see sample form attached.
