July 12, 2021

Dear PCSST 2-3 Parents and Guardians,

Welcome back to PCSST and to a new school year! This year we are excited to be welcoming our 2nd and 3rd grade students and their families to our new campus at 53 E. 34th St. Paterson, NJ. We, the educational team at the new 2-3 campus, are looking forward to providing an incredible year of academic growth and learning experiences to our students in a new and nurturing educational environment.

Our teachers and staff are highly qualified and committed to serving all aspects of each student, academically, emotionally and physically. We also recognize the very important role parents/guardians play in the academic development of their children. Among the most significant contributions parents/guardians can make with their child/children is to read with them at home. Try your best to have a quiet study space for them with sufficient time to do homework. As a result of your involvement, your child/children will benefit significantly in their educational learning process. Subsequently, he or she will more than likely demonstrate a positive attitude and behavior toward school and learning. By working together and establishing a partnership between home and school, we can better help our students achieve their full potential.

With that in mind, you are invited to be an active participant at PCSST 2-3. Whether you are a member of the PTO, involved in our special events, or a member of one of our school communities, you are encouraged to get involved! Research on academic success shows that parent participation in their child's school corresponds with a greater likelihood of academic achievement for their child.

As a first step, I am providing some important information for you and your child that will ensure a smoother transition into the new school year.

First Day of School for All students: Monday, August 30, at 7:55 am. Dismissal will be at 12:30pm for all students during the first week of school (August 30-Sept. 3rd)

Student Uniforms can be purchased from **YNK Store**, which is located at 123 Getty Ave, Clifton, NJ, 07011. For store hours please call 862-225-9938 or visit www.pcsst.ynkstore.com.

Back to School Night: Wednesday, September 22, 2021 between 5:30pm and 7:30 pm

Dismissal and Pick up Policy: (These instructions should be kept as a reference all year).

This year we will be implementing a new dismissal program called **Pik My Kid**. This digital program will ensure a safe and structured dismissal procedure that will allow

parents to notify the school when they are present to pick up their child through an application on their phone. We will be sharing more information at our Orientation and before school starts with all our families. Regular dismissal time for all students in Grades 2-3 is **3:30pm for Tuesday through Friday, 2:50 pm for Monday**. Dismissal time for the “Early Dismissal” days is **12:30pm**.

Please do not arrive at school before dismissal time unless you are picking up your student early and have made arrangements beforehand with the office and homeroom teacher. **Parents are expected to pick up their children at most by 3:45pm**. Twenty-one minutes after dismissal, students will not be released from school. The individual who is picking up the student(s) must sign them out. The child must report to school with a parent or court appointed guardian the next day and meet with an administrator in order to attend class.

Attendance: We will be focusing on attendance throughout the 2021-22 school year and having your child be punctual to school and attending on a regular basis is crucial for them to learn and reach their fullest potential.

Contacting Teachers: When you need to get a hold of your child’s teacher, the best way is usually through email or Class DoJo. Teachers generally check their email twice a day and that is a great way to get information to or from the teacher.

In order to get more information for the upcoming events/activities, please visit our school

As always, my door is open to you. Your ideas, suggestions and involvement in our school help to make it a better place for our students. Feel free to call, email, or stop by to discuss any questions or concerns you may have in regards to your child. I’m excited to see you!

Sincerely,

Patricia Coban
