## ***Saturday Academy - Fall 2023***

Dear Parent/Guardian and Students,

We are committed to helping all of our students succeed academically. As a result, we have created the Saturday Academy. This program is part of Title-I regulation. It provides students with the opportunity to work on current content skills necessary to be successful on standardized tests.

In an effort to help students have fun while working to improve their educational success, we will be providing interest-based technology, fine arts, and sports programs in addition to supplemental instruction in Math and English. The Saturday Academy will be held at the 8-12 campus for 8th and 9th grade students. Lunch and snacks will be served. Please see the session dates below:

October 14, 2023 (8:30am-12:30p.m)	November 4, 2023 (8:30am-12:30p.m)
October 21, 2023 (8:30am-12:30p.m)	November 18, 2023 (8:30am-12:30p.m)
