Dear Parents and Guardians,

I hope this letter finds you and your family well. I am writing to inform you about some upcoming changes to our school bus transportation schedule that will take effect immediately. These changes are being implemented by Paterson Public Schools and beyond our control, and I want to ensure you are fully informed and prepared. Please see attached letter provided.

I understand that these unforeseeable changes may cause some inconvenience, and we deeply appreciate your understanding and cooperation during this transition. Our primary goal is to ensure the safety and punctuality of our students' transportation to and from school.

I will keep you informed with any necessary adjustments to improve efficiency and minimize disruption. Thank you for your continued support and for being proactive in helping your child adjust to these changes.

Sincerely,

PRivera
