## **MESSAGE FROM THE DIRECTOR ELEMENTARY EDUCATION**

Dear Students,

Welcome to the 2021-2022 school year at Paterson Charter School for Science and Technology K-1 Campus. This new school year means a new beginning, and new futures. The administrative team is excited about this coming school year, and the staff at Paterson Charter School for Science and Technology is caring, competent, dedicated and willing to assist you. We are working very hard to provide the best possible learning environment for students.

We believe that education is a shared responsibility and that the successful operation of a school depends on the cooperation of everyone involved: students, parents, and staff. The mission of PCSST is to create a partnership among the members of this triad. Each of us is responsible for doing his or her part to make our school a place where we can all work and strive together in harmony.

PCSST is a reflection of all of us. All of our policies are intended to provide a safe and orderly environment that will be conducive to learning. Our faculty and staff look forward to sharing their expertise in academics, special programs, and extracurricular activities. We encourage you to get to know your school, its programs, activities, and schedule. Become an active participant in our school. Get involved through classes, clubs, and activities.

This handbook is an overview of our school's goals, services, rules, and procedures. It is an essential reference book describing what we expect and how we do things. Read it carefully, discuss it with your parents, and let it act as a guide for your effective involvement in all parts of the school. It has been written to provide you and your parents with the information that will make your year purposeful and rewarding in every aspect. Keep this handbook because you will use this information throughout the school year.

On behalf of the entire PCSST K-1 staff and community, best wishes for a great 2019-2020 school year!

Sincerely,

Krishana Scott M.Ed

Elementary School Coordinator

## 1. INTRODUCTION

To achieve our mission, every member of the PCSST 2-6 community must respect that every student has a right to learn. This means creating an environment that is physically, emotionally and intellectually safe, orderly, and conducive to learning. The information in this handbook provides the guidelines for all of our behaviors and attitudes that will create a positive environment in which each student, parent, and teacher can contribute and learn. Because this is a “Student” Handbook, it is written to/and for you. Each section begins with a general description of the issue involved, and then it addresses you and your actions and attitudes very specifically.

## 2. COUNSELING SERVICES

Paterson Charter School for Science and Technology K-1 offers counseling services. The school has one full time counselor. The school counselors, or his/her designee, can help students plan and succeed in school, and help them look ahead to high school and college. The school counselor can also help with personal issues and concerns. To see the school counselor, make an appointment in advance unless it is an emergency. Parents/Guardian may call the office to arrange an appointment with a counselor. If the counselor is not available and students have a problem, they must make sure they speak with a teacher or administrator.

### **School Counseling Department**

The main purpose of the School Counseling Department is to assist students in attaining their greatest potential both academically and personally. A counselor has been assigned to help students grow and develop in the present and the future. The counselor is the central figure who coordinates efforts with those of the students, the parents, and the teachers. A counselor is trained to advocate for the academic, social, and emotional well-being of a student. Thus, it is important for students and parents to work together with the counselor, as well as the teacher.

Assistance is available throughout the day. If there is a need to meet with a counselor, students are to request a meeting with a counselor during the school day. Counselors will discuss subjects related to interpersonal conflict, grades, personal concerns, or one of many topics that may arise during the school year. Furthermore, the School Counseling Department presents various developmental and emotional programs throughout the year such as a bereavement group, divorce group, peer tutoring, and academic mentoring. Please discuss these programs further with a counselor.

**INTERVENTION/REFERRAL SERVICE TEAM (I&RS)**

The purpose of the Intervention/Referral Service Team is to identify and plan alternative instructional strategies for students who are experiencing academic, social or behavioral problems. The student support team is a committee consisting of the referring teacher, the chairperson and at least one other participant. Parents are invited to attend I&RS meetings regarding their children. The I&RS process provides problem- solving strategies and instructional support for teachers. Questions concerning the referral process should be referred to an administrator.

This means that students will be placed in the setting that puts the fewest limits on their opportunities to be educated with students who do not possess disabilities. PCSST 2-6 utilizes an inclusive and holistic approach to special-education services. All identified students will receive support, resource room class remediation, modifications and consultation services to classroom teachers who serve special education students as needed. PCSST 2-6 shall comply with federal and state law that ensures that all students with disabilities will be provided with a free appropriate education (FAPE). ## 5. EXAMINATION PROCEDURES

At PCSST K-12, formal examinations fulfill an important function in the assessment of each student's academic performance. As external examinations (State Testing) are used on a statewide basis as measures of student performance, students at PCSST K-1 are exposed to formal examinations not only for the purposes of assessment but also for experience in examination conduct, procedure and technique.

### **State testing is mandatory for grades 3-6.**

Consequently, the school has in place a "Code of Conduct" pertaining to examinations.

- ✓ Students are to remain silent during all examinations unless directed otherwise by the supervising teacher.
- ✓ Under no circumstances are students permitted to distract other students during examination.
- ✓ Students must leave school bags in their lockers.
- ✓ Students are not permitted to take any paper, including worksheets and scratch paper, into the examination room. Further, students are not permitted to remove any paper, including the question paper, from the examination room.
- ✓ Students must bring appropriate equipment for each exam and are not to borrow equipment or anything else during examinations. Students are expected to wear the school uniform to all examinations.

- ✓ Students are responsible for the collection of their work.
- ✓ Students who are absent from any examination are required to present themselves to the subject teacher immediately upon their return to school. All exams must be made up within 3 days of absence; however, the student must present a reasonable excuse to be eligible for a make-up exam or project.

In the event of any violation of the above rules during an examination the student will, in the first instance, receive a zero. After the event, a review of the situation will determine if a zero award is to be made or a lesser/harsher penalty imposed.

**ANY STUDENT FOUND TO BE CHEATING DURING EXAMINATIONS AND/OR DETERMINED TO HAVE CHEATED WILL RECEIVE A ZERO AND THEIR PARENTS WILL BE NOTIFIED. DISCIPLINARY ACTION MAY BE TAKEN BY EITHER THE SUBJECT TEACHER OR BY A SCHOOL ADMINISTRATOR. SEE THE CHEAT/PLAGIARIZE POLICY.**

## **6. HOMEWORK POLICY**

Homework is an essential part of your successful educational program at PCSST K-1. Doing homework will help you develop many valuable skills such as good study habits, time management, responsibility, and perseverance. Teachers will assign homework that will foster individual learning and growth and that is appropriate for the subject area. Homework is part of all students' regular evaluations. It is your responsibility to complete and turn in homework on time. In case of conflict regarding homework assignments the teacher's record is final. If you or your parents have

questions about homework, immediately contact the teacher who assigned it. Teacher's contact information is available at our website.

Homework will be given regularly by PCSST K-1 teachers and students are expected to complete homework assignments. Parents/Guardians have a responsibility to check to see the homework is completed and turned into the teacher. The following policy applies for students who routinely fail to do so: teachers will document the incident on the PCSST K-1 a Non-completion of Homework Log in the following manner:

1. Verbal warning
2. Teacher/parent discussion initiated and documented by the teacher.
3. Parent/administrator conference request forwarded to the Dean of Students.

#### **COPYING HOMEWORK/CLASSWORK**

**Students will not be allowed to make up the assignment or be given any extra credit assignments.**

## 7. ATTENDANCE

### **Absences and Tardiness:**

The Paterson Charter School recognizes two kinds of absences and tardiness: *excused* and *unexcused*. Please read through the definitions of each carefully so that you understand the responsibilities that you and your parents or guardians must honor. Also, you need to be very aware of your responsibilities regarding homework, quizzes and tests when you have an excused absence as well as the consequences for unexcused absences.

### **Excused Absences:**

The Paterson Charter School accepts only the following as excusable reasons for absence from school. Parents or guardians must notify the school each morning their child is not attending. The written excuse shall be submitted to the attendance office and filed as part of the student's school record. An excuse for absence from school may be approved for one (1) or more of the following reasons or conditions:

- ✓ **Personal Illness:** Upon the student's return to school, a doctor's note is required.
- ✓ **Emergency:** Your parent/guardian must confer with the Lead Person to have an emergency marked excused.
- ✓ **Illness in the Family:** Your parent/guardian must confer with the Lead Person to have an illness in the family marked excused.
- ✓ **Appointments:** Your parent/guardian must confer with the Lead Person to have an appointment marked as excused. All appointments should be made after school if possible.
- ✓ **Quarantine of the Home:** A letter from the Board of Health family physician is required in order to have days marked as excused.
- ✓ **Religious Holiday:** Notification from your parent/guardian must be received prior to the date in order to have a religious holiday marked as excused.
- ✓ **Death of a Relative:** A copy of the newspaper or a letter from the funeral home is required in order to have the death of a relative marked as excused.
- ✓ **Legal Obligations:** A copy of summons or a letter from Court is required.

### **Make-up work for excused absences:**

An absence from school, even for several days, does not excuse you from responsibilities in the classroom on the day you return. If you have an excused absence, you will be given the same number of days that you were absent to make up missed work. To be eligible for make-up work, you must show each teacher the "excused absence slip." On the day you return to school, it is your responsibility to find out what work is required and when the work needs to be completed. Students who do not complete missed assignments will receive a zero for the assignment.

If you are absent for school-related reasons or for an anticipated or planned absence, make arrangements with your teacher(s) for assignments prior to your absence. For students with excused absences, make-up tests will be scheduled at a time designated by the teacher. It is the student's responsibility, however to take the test at that time. If the student fails to do so, the teacher is not obligated to set another time for the make-up. If the student fails to make up a test without making other arrangements, the teacher may decide not to give you the test.

### **Unexcused Absences:**

*Twenty (20) days is the maximum amount of unexcused absences that are allowed before the loss of credit for the entire school year.* You will be recorded with an unexcused absence if you:

- ✓ Fail to bring a doctor's note within three school days following an absence
- ✓ Leave school without signing out of school at the main office
- ✓ Walking out of the building without permission

- ✓ Are absent from school without parental permission (truant)
- ✓ Are absent for reasons not acceptable to the administration

**Make-up work for unexcused absences:**

If you have an unexcused absence, your grade(s) in a class or classes will be affected in one of these ways. You may not make up work following an unexcused absence. An unexcused absence may result in an “F” or “zero” for the day in each class missed. Teachers are not mandated to permit you to make up quizzes or tests.

**Truancy:** Truancy means that a student is not excused and absent from school without the knowledge of a parent/guardian. Truancy indicates a deliberate disregard for the educational program and is considered a serious matter that will have one or all of the following immediate consequences:

- ✓ Parent notification
- ✓ No Parent/No School
- ✓ Saturday detention
- ✓ Out of school Suspension
- ✓ Referral to guidance
- ✓ See “Make-up Work for Unexcused Absences”
- ✓ Chronic cases may result in denial of credit
- ✓ Notifying local law enforcement

If you are truant, no credit will be recorded for work you missed. A record of the truancy will be entered into your record file.

**Habitual Truant:**

Paterson Charter School will consider a student a “habitual truant” when, in spite of warnings and/or his/her parents’ efforts to ensure attendance, he/she has accumulated ten (10) total unexcused days during one marking period.

**Tardiness:**

Tardiness to school, whether it is the result of oversleeping, missing the bus, car problems, babysitting, athletic workouts, socializing, lingering, etc. is unacceptable. Students should arrive to school by 7:50. Anyone who arrives to school after 7:50 a.m. must report to the main office and receive a tardy pass. Students who arrive to school after 4<sup>th</sup> period or do not receive four (4) hours of instruction time will not receive credit for the school day without a doctor’s note excusing the students’ tardiness. Students who are late for class will be bound by the PCSST 2-6 tardy policy.

**Cutting:**

When a student misses a class for other than a legal reason, it is considered a cut. He/she will be asked to explain his/her absence to a member of the faculty or an administrator. He/she will then be given one or all of the aforementioned immediate consequences. Walking out of class without permission can be considered cutting. Cutting class can also lead to the following consequence (not necessarily in this order):

- ✓ No Parent/No School
- ✓ Saturday Detention
- ✓ Out-of-School Suspension
- ✓ Denial of Credit
- ✓ Other Administrative Consequences

**Class Tardiness:**

Students who are not in their scheduled class *before* the bell rings are considered tardy. Students will be marked tardy in the SIS system, and will be subject to Administrative action.

**Communication with school:**

Every effort will be made to ensure good communication between the home and the school. Parents/Guardians may communicate directly with the school's staff members via e-mail, voicemail, written request, or by accessing the school's website.

It is important that the school officials are able to contact parents at any time; therefore, it is necessary that school officials maintain updated contact information on file. It is the parents' responsibility to ensure all contact information is updated. If your home or mailing address, phone number(s), e-mail or emergency contacts change, please notify the main office immediately at (973) 333-4729. The school will not be held responsible for any correspondence missed by parents due to not being informed of any changes of contact information

**School Sponsored function(s)/Athletic event(s) policy:** In order to participate in an after school extracurricular activity, including music, athletics, cheerleading, performances, plays, etc., students must be marked present for the school day. If regarded as absent, these activities will be prohibited.

## 8. STUDENT CONDUCT AND DISCIPLINE

**AFFIRMATIVE ACTION**

PCSST K-12 has in place a policy pertaining to affirmative action, sexual harassment and bullying. The affirmative action officer is Director of Instruction. Policies are posted on our website. Log onto [www.pcsst.org](http://www.pcsst.org) then click on "school board", then click on "policies".

**Due Process:**

All students at PCSST K-12 are entitled to the rights guaranteed by the United States Constitution and Bill of Rights and student rights will not knowingly be denied by the required code of conduct or by any disciplinary actions taken by the school. Any student who exhibits any of the Unacceptable Student Behaviors listed in this handbook or added to this list at a later date will suffer stipulated consequences. These consequences range from notification of parents, detention and emergency removal from a school activity to suspensions and expulsions and will follow New Jersey Education Law. All students at PCSST K-12 have the right to feel physically, emotionally and intellectually safe. Therefore, if at any time you feel you are the subject of harassment, hazing, threats or other intimidating behavior, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible. All reports like this will be kept completely confidential.

Similarly, if you are concerned about the safety of a student who seems to be the subject of harassment, hazing, or threats, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible, and all reports will be kept completely confidential.

**Individual Actions:**

It is expected that every individual will accept responsibility for his/her own actions, whether intentional or unintentional. Often harm caused to other persons or their possessions is unintentional or the result of careless

behavior. This, however, does not excuse or diminish the personal responsibility of the student (and/or his/her parent) to make appropriate restitution. When known and verified by an administrator, any harm caused to another will be reported to parents. PCSST K-12, its employees, not the board, assumes any liability for the intentional or unintentional harm caused by any student to another individual or his/her possessions.

PCSST K-12's main goal is to help every student fulfill his/her intellectual, social, physical and emotional potential. Everything in and about the school has been designed to create an orderly and distraction-free environment in which all students can learn effectively and pleasantly. To foster this kind of learning environment, the PCSST K-12 administrators and teachers shall not allow the below listed behaviors during school, on school property, or at any school sponsored activities. **Students who continuously disregard the code of conduct may be recommended to the board for expulsion.**

Our ultimate goal is to develop in students a sense of responsibility and self-discipline. Appropriate behavior, reinforced by firm and fair rules and consequences becomes the basis for this system-wide discipline program. Guidelines are provided in order to foster mutual respect and cooperation within the school setting. PCSST K-12 takes seriously its responsibility to educate its students in a safe and drug free school where they are free from fear of harm or intimidation. Weapons, drugs and gang activity will not be tolerated. Students who violate PCSST K-12 rules or State laws related to these offenses will be suspended or expelled from school. Violators will also be reported to police and may be arrested. These rules apply to all students at school or school-sponsored activities including field trips and on buses, athletic fields, stadiums, parking lots, official school bus stops and other sites used for school-sponsored activities.

**Conduct Information:** It is our belief that good discipline is one of the cornerstones of a good education, and that to ensure good discipline, a close; cooperative relationship must exist between the home and the school. The policy developed provides close communication with parents at the onset of discipline problems, so that together we can find alternatives for students so they can experience success in relationships at home and school.

For this discipline program to be successful, students must make choices for themselves and be responsible for their own behavior as well as for their academic performance. Students who make poor choices cannot and should not place blame on the environment, parents, the school and/or peers. While the school will help students develop good decision-making skills, ultimately, the future is determined by each student's own actions. The procedures in the discipline program will be followed in a fair and consistent manner.

**Disorder and Demonstrations:** The Board will not permit any willful activity by a pupil or group of pupils that interferes with the orderly operation of the schools or the rights of others. The Board specifically prohibits any assembly or expression that materially disrupts instruction; is obscene, slanderous, or grossly prejudicial; advocates the use of dangerous or harmful materials; advocates the use of force or the violation of the law or school rules. Behavior contrary to these expectations may be reprimanded. See *Consequences*.

**Minor Misconduct:** Minor violations as outlined below may not be immediately reported to the administration or parents. Such offenses are considered minor and therefore, the consequences are subject to consequences in accordance with the Discipline Point System. Citations will be issued for misconduct outside the classroom. Such conduct shall include, but may not be limited to, any of the following:

**Absences and Tardiness:**

The Paterson Charter School recognizes two kinds of absences and tardiness: excused and unexcused. Please read through the definitions of each carefully so that you understand the responsibilities that you and your parents or guardians must honor. Also, you need to be very aware of your responsibilities regarding homework, quizzes and tests when you have an excused absence as well as the consequences for unexcused absences. When a student accumulates five (5) unexcused tardiness, they will be issued a Saturday detention. When a student has amassed twenty (20) unexcused late, they will be issued a one (1) day out of school suspension. Each incurring 5 late will constitute as a one (1) day out of school absence.

**Discipline Actions:**

Excessive accumulation of demerit points will result in loss of the privilege of attending a future extracurricular activity.  
 Additional Saturday detentions may be scheduled for continuing tardiness.  
 Suspension may result for continued defiance.

**If students fail to return the forms sent by school office/school administration that requires parent permission/signature such as this handbook, discipline letters, letters/memos from DOE etc. they will serve a Saturday detention, or subject to a No Parent No School.**

- 2<sup>nd</sup> missed detention: 2 days out-of-school suspension
- 3<sup>rd</sup> missed detention: 3 days out-of-school suspension
- 4-or more missed detentions: Further Administrative action

Please note that when parents “reschedule” Saturday detentions, it is considered a *missed detention* unless excused by an Administrator.

**No Parent/No School:** Students will not be permitted to attend school unless they are accompanied by a parent or court appointed guardian. Students that attend school without a parent or legal guardian will face an out-of-school suspension unless prior arrangements are made with an administrator. Please be advised that individuals listed on your emergency card will not be permitted to attend conference on the parent or legal guardian’s behalf.

**Daily Behavior Report:** A daily behavior contract is an informal tracking tool used by the school to monitor a student's day-to-day behavior and academic progress until such time that satisfactory results have been achieved. The student's teachers complete this report each day. The form is returned the next school day after being reviewed and signed by a parent/guardian. An administrator will review the report to determine whether the student will be permitted to return to class. This process is recorded on the student's discipline transcript.

**Withholding of Privileges:** Students may be denied an opportunity to participate in school-related activities and/or events as deemed appropriate by an administrator. Students may also be required to be accompanied by a parent or court appointed guardian. Consequences may include field trips that have already been paid for, dinner/dances, graduation ceremonies, etc. In these instances, *no refund will be provided.*

**Parent Shadowing by Appointment Only:** Parent shadowing is a very effective method that is used when other informal and/or formal discipline measures have been ineffective. When parents visit the school and "walk in their child's shoes," they are often better equipped to understand and assist their child and the school in resolving the identified problem.

**Administrative Detention:** An administrator may assign administrative detention to students who fail to comply with school rules or fail to report to an assigned teacher detention. Parents will be sent a notification when administrative detention is assigned. All administrative detentions are documented on the student's permanent discipline record. Failure to appear for administrative detention will result in the student being assigned to in-school or out-of school suspension. Students assigned after school detention must be picked up no later than 10 minutes after students are dismissed at the front of the school.

**Out-of-School Suspension:** Out-of-School Suspension is a formal disciplinary action that can only be assigned by the PCSST administrative staff and requires written or verbal correspondence to parents. Out-of-school suspension may increase on successive occasions when it becomes necessary for the same student to be suspended from school. A meeting between a parent and an administrator is required prior to any out-of-school suspended student's return to PCSST 2-6. Any student that knowingly reports to school after being notified they are suspended will be considered trespassing and will not be permitted on school grounds.

All students under suspension are prohibited from participating in after school activities and therefore required to leave the school campus immediately upon dismissal.

Discipline Transcripts are maintained in the students' Permanent Record Folders. In-school suspension assignments will be noted on the student's discipline transcript.

**Behavioral Contract:** Students who violate the Paterson Charter School for Science and Technology K-1 School rules by amassing excessive discipline points will also be required to sign a Behavioral Contract in order to remain a student at PCSST K-1. This is critical, in that PCSST K-1 believes in engendering youth responsibility. A parent/guardian will also be required to sign the contract as well. The contract includes a daily behavior sheet which students must have completed each school day. Students must return the sheet to school the next day with a parent or legal guardian signature. Students may lose other privileges (Activities, clubs, field trips, etc.)

**Option to Withdraw:** A student may withdraw without penalty from a charter school at any time and enroll in another local school in the school district in which such student resides. A student who is suspended or expelled from

a charter school as a result of a disciplinary action taken by a charter school shall also be entitled to enroll in a local school within the local school system in which student resides, if, under the disciplinary policy of the local school system, such student would not have been subject to suspension or expulsion. In such instances, the local board shall not be required to independently verify the nature or occurrence of the applicable conduct or any evidence relating thereto.

**Expulsion:** Expulsion is a formal disciplinary action that can only be approved by the PCSST board after receiving a recommendation by the PCSST K-1 administrative team due to the student's involvement in repetitive discipline offenses. A written correspondence to the student's parents, containing the date and time of a board hearing, will be mailed to the parents within ten (10) days of the suspension.

### **DRUG/ALCOHOL/SUBSTANCE ABUSE ENFORCEMENT POLICY**

Any pupil suspected of being under the influence or buying, selling, possessing or using drugs/alcohol/controlled dangerous substances on school property or at school functions shall be suspended from school for a minimum of three (3) days and/or recommended for expulsion. Parents will be notified and a full report of the incident shall be made to the police. Pursuant to New Jersey Statute **NJSA 18A:40A-12**, the parents of a pupil who shall appear to be under the influence of illegal substances/alcohol to any teaching member, school nurse or other educational personnel shall be required by law to have their child immediately evaluated by a physician or taken to the emergency room of the nearest medical facility for a medical evaluation, the report of which evaluation shall be furnished to the school within 24 hours. If it is determined that the pupil was under the influence, the pupil may not resume attendance at school without producing a written report by the examining physician certifying that said pupil is physically and mentally able to return.

### **Harassment, Intimidation and Bullying**

Available on our website [www.pcsst.org](http://www.pcsst.org)

### **GANG INSIGNIA/ACTIVITY**

New Jersey law requires that students shall not wear or possess any clothing, jewelry, symbol or other object that may reasonably be perceived by a teacher or administrator as evidence or membership in or affiliation with any gang. A student shall not commit any act, verbal or non-verbal (gestures, handshakes, etc.), that may reasonably be perceived by a teacher or administrator as evidence or membership in or affiliation with any gang. A student shall not commit any act, verbal or non-verbal, in furtherance of the interests of any gang or gang activity including, but not limited to, (a) soliciting others for membership in any gang or gang related activity, (b) requesting any person to pay protection or otherwise intimidating or threatening any person, (c) committing any other illegal act or violation of District rules or policies, or (d) inciting other student to act with physical violence on any person. The term “gang”, means a group of two or more persons whose purposes or activities include the commission of illegal acts or violations of this Code of Conduct, District rules or policies, or whose purpose or activities cause disruption, or are likely to cause disruption to the educational process.

### Head Lice Policy

PCSST K-12 follows the **No-Nit** Policy. At the time head lice are positively identified, the students parent/guardian will be notified to pick student up immediately. At the time of re-check if there are nits visible, the student will not be allowed to remain in school.
