

ELL/ESL Program: School Supply 2020-2021

Dear Parents or Guardians,

This past few months have been extremely challenging for all of us. I hope you and your families had a wonderful and healthy summer. After everything that has happened, I am so excited to start this new school year. I cannot wait to see and meet some of you! I am hoping this coming year will be filled with excitement and great expectations! As you may already know, the school does not provide the supplies that your child will need for the upcoming year. Therefore, the following items would be greatly appreciated:

Please have your child bring them to school on the first week of school. If you have any question please contact or email me.

Thank you for your support,

Ms. Saint-Hilaire
