

## Spring Online Tutoring Program

January 21, 2021

Dear Parents/Guardians,

Your child's education and academic achievement is important to us. This has been an unprecedented school year due to COVID 19 and it has impacted all of our students. PCSST is excited to introduce our 2020 Spring Online Tutoring Program for students who have ended the second marking period with a failing grade of "F" in a core subject. **If your child failed any subject for the 1st marking period or is currently struggling in any of his/her classes, we strongly recommend that you allow your child to take advantage of this great opportunity.** In this program, students will be afforded the opportunity to make up assignments they have missed and improve their 1st and 2nd marking period grades.

We will offer three sessions weekly for students to attend. This tutoring is open to all students in grades 7-12. Parents may choose for their student to attend only one session a week or multiple sessions per week. **We ask that if you sign your child up for a seat in this program, that you ensure that your child attends regularly. If your child has multiple absences in the Spring Online Tutoring Program, they may be dropped from the program in order to give that seat to another child waiting to join the program.**

The program will run from February 1, 2021 until June 4, 2021. The following tutoring sessions are available to your child:

Session 1: Mon-Thurs 4:00pm-5:00pm

Session 2: Mon-Thurs 6:00pm-7:00pm

Session 3: Saturdays 8:30am-12:30pm

**If you would like your child to participate in our Spring Tutoring Program please complete this [Spring Online Tutoring Application](#). (Please use your child's PCSST Google account to access the form). Please complete one form per child.**

Please e-mail Ms. Carter or Mr. Coskun org if you have any questions or concerns.

Sincerely,

Ms. Thinsha Carter,

Director of Humanities Curriculum/Evaluation
